

**1st John #28**

**“Our Advocate, the One-man  
Dream Team”**

*1st John 2:1*

**There’s no momentum or function in the Christian way of life when believers are outside the experiential plan of God.**

**It’s impossible to do the will of God, execute the plan of God and glorify the Lord Jesus Christ apart from residing in God’s power palace.**

*The Church Age believer as a member of the royal family of God, must continue his momentum on the playing field which is maintaining residence and function inside the divine power palace.*

**God requires full exposure of openness and honesty from anyone who desires to have fellowship with Him.**

**John’s concept of fellowship is not simply referring to relationship and losing fellowship is not only the idea of committing sin, it’s deeper; it’s severing our fellowship by learning and applying false doctrine.**

**John’s not offering an encouragement to sin or even an excuse to stop resisting it; he’s emphasizing the fact that we have an Advocate with the Father who has provided everything we need to maintain active fellowship with Jesus Christ.**

*We should strive not to sin with God’s help but when we do, we’re not forsaken and John encourages us to remember that at our hour of weakness, failure or despair, we can be assured that we have TLJC, the greatest of defense attorneys before God who will plead our case every single time with the Judge; God the Father.*
