“The Prophets’ Prophecies Concerning The Prophet” Acts
3:19-26

**The Book of Acts is the first book of Church history and it’s
the only one written by the
Holy Spirit.**

In his Gospel, Luke chronicled the life of Jesus Christ who
came into the world uniquely by way of the Virgin Birth and
He lived a sinless life of perfection, claiming to be the Son of
God.

*It’s one thing to claim such a title but what separates Jesus
Christ from all imposters is
He proved Who He was by His words and
His actions.*

**Jesus Christ Himself is the Seed of Abraham and as such, He
is the Source of blessing to all the earth.**

All the nations are blessed through the work of Jesus Christ
on the cross.

*When Peter says all nations of the earth will be blessed, he’s
saying Gentiles will be saved.*

It's not what Israel was; what Israel missed; what Israel lost;
it’s all about God and what He promised through His prophets
concerning: The Prophet, Jesus Christ; *Amazing grace, how
sweet the sound!*
