

Acts # 79 “Jews Demand Signs” *Acts 19:1-7*

A sign is a supernatural event that’s an indication or confirmation of the intervention of God’s power displayed within His creation.

The Lord Jesus performed many miracles but the apostle John records 7 signs which prove He is the Messiah; *John 20:30-31* **Jesus performed many other signs in the presence of His disciples, which are not recorded in this book. But these are written that you may believe that Jesus is the Messiah, the Son of God and that by believing, you may have life in His Name.** *The Jews expected the Messiah to do signs and wonders in His kingdom which is why the Lord Jesus performed many signs and wonders but His greatest sign looks back to Jonah inside the great fish; it’s His resurrection from the dead!*

Jesus said through His baptism that He was willing to do the will of the Father which was to go to the cross.

So, there were two baptisms which occurred at the interruption of the Age of Israel: John’s baptism which was a sign and Jesus’ baptism which was unique.

And there is a water baptism practiced today which basically indicates down with human good and up with divine good.

The water represents retroactive positional truth, identification with Jesus Christ as He hung upon the cross, died and was buried.
