

James 23 “The Gift Of Trials” James 1:16-17

Isaiah 42:1 Behold My Servant, whom I uphold; My Chosen One in whom My soul delights. I have put My Spirit upon Him; He will bring forth justice to the nations. If we are ever going to understand the uniqueness of the Person of Jesus Christ as to why He is the revealed Member of the Godhead, why the Holy Spirit glorifies Him today, why He is the only Celebrity of Christianity, we must be familiar with the Doctrine of Kenosis. The fact that we have anything of any value is a gift from God. An enlightened soul is able to cope with all circumstances in life whether prosperous or disastrous and that's why it's important that we have God's lights in our souls from His biblical truth, so we can't stop with just one light here or there or life is going to be very difficult.
