

Biblical Truth Ministries Sunday 25 January 2026 James 24 “Is It His Choice or Ours?”

James 1:18

The Church Age is a quiet era as far as prophecy is concerned; there is no prophecy to be fulfilled in it except for its terminating event, the Rapture of the Church. It's far more important for us to know and practice the concept of following our Lord's example of unconditional, impersonal love, than it is for us to know the day, the hour or the moment that the Rapture will occur. Man's volition makes him a free agent in the devil's world and therefore, he can choose between the plan of God and the plan of Satan and God's salvation by grace alone through faith alone in Christ alone frees man from satanic control and domination. Because we are weak by nature and inferior to angels, we must depend on a power much greater than ourselves in order to first survive and then to thrive in the devil's world and our choice is limited to the power system of Satan in his world or the power system of God which is out of this world! As believers in Jesus Christ, we are instructed to do all things as unto to the Lord, so we are to be mindfully busy whether our Boss is physically present among us or temporarily absent with other duties! When the author writes to believers, his primary message is not how to be saved but how to live a sanctified Christian life. God always seeks the highest and best for all believers. Believers in Christ; please don't be fooled, it's our sinful natures that betray us and not God. All blessing in the Christian life is a result of God's imputed righteousness in us! The Holy Spirit makes the Word of God understandable but not necessarily understood; that requires our positive response to biblical truth.
