

**John # 3 “Was God” John 1:1-4**

**Ho Logos has four meanings:**

**1. Expression**

**2. Intelligence**

*We cannot think without a vocabulary and therefore the greater our vocabulary, the greater our ability to think.*

**3. Order**

The Lord Jesus Christ is the designer of the dispensations and He controls history; Psalm 33.

**4. Communication**

**TLJC keeps on existing eternally, face to face with God the Father.**

Since TLJC is God, He cannot go to the cross and bear the sins of the world in the essence of God.

*God the Father is free to love the believer, not based on the believer's performance but based on TLJC's performance at the cross.*

**Q: How could a perfect God love imperfect man?**

Until TLJC is the believer's only hero, he (the believer) is confused and unstable.

**God the Holy Spirit, for the very first time, imparted the phrase "En arche" to the apostle John.**

**What is true of the apostle John is true of every one of us: we don't earn or deserve a thing from God.**

*Because we are born physically alive and spiritually dead we can have no fellowship with God in birth one.*

**The 6 facets of the soul:**

**1. Self-consciousness**

**2. Mentality**

**3. *Free-will***

**4. Emotion**

**5. Conscience**

**6. Sin nature**

*God prepared solutions in eternity past to every problem we could ever have in time (antecedent grace Eph 1:3-6).*
