

John 187 “Should Christians Go To Parties?” *Mark 14:3-11; John 12 Introduction*

A party is only a party if the guests are truly relaxed.

The average believer doesn't have the capacity to really enjoy a party.

The person who has the capacity to enjoy parties is the one who has the capacity to fully enjoy God, his spouse and virtually everyone else.

This is an expression of true love for God that cannot be appreciated by others at the party because they hadn't arrived yet.

Only one person had enough capacity for love through biblical truth to realize that this was the Lord Jesus' farewell party.

A believer cannot learn too much biblical truth.

We could have taken all the biblical truth learned by the eleven disciples at this point and combined it and it wouldn't have compared to what Mary knew and applied!

Compared to this grace-oriented lady Mary, no man measures up!

Mary was apparently the only person who consistently listened to Jesus and learned from Him.
