

John 192

“The Crowd That Was With Him Continued To Spread The Word”

John 12:13-19

The problem was Jesus’ Kingdom was not of this world and the Jews wanted a political Messiah to lead a revolution but Jesus wanted repentance and acceptance of Him and His work.

Popular opinion was: “We don’t need a spiritual Messiah, we want a King Messiah to do our bidding for us.”

So, they made one; they crowned Him with thorns, gave Him a scepter, wrapped Him in a robe, hailed Him as King Jesus and promptly lifted Him up on a cross in mocking, blasphemous ridicule.

Anyone who can bring a dead man back to life can bring Israel back to political freedom.

Physical freedom is not the plan of God.

Later on the disciples will learn biblical truth and they will remember it!

Palm branches belong to the Millennium.

The disciples were caught with palm branches in their hands and nothing in their heads!

Only through application of biblical truth can the disciples orient to the grace of God and plan of God to neutralize their ignorance.

Victory for mankind begins at the Cross.

The Cross must come before the Crown.

Everyone knows where Jesus is and no reports Him to the Pharisees.

Of the thousands of people around our Lord at this time, only one gets the point and that’s Mary!

Mary not only learned biblical truth, she applied it.

Remember: With leaning and applying biblical truth comes great pressure to test our new knowledge by watching God work in us.
