

John 223“Obedience: Old Testament Concept Or Valid Today?”

John 14:20-21 Deut 8:1-20 Deut 11:1-32

Today, all believers have perfect protection from God.

Whether He's present with them or absent from them, the Lord Jesus always provides for His own.

As believers in Christ, there is truly one thing about us that is perfect and that is our position in Him!

Christianity is not a dead religion of arrogant self-righteousness, it's a living relationship of humility based on Jesus Christ's righteousness.

Our family relationship with God depends upon the Father, Son and Holy Spirit and NOT us.

When we inhale the doctrines of God's essence and our union with Jesus Christ, we will automatically exhale motivational personal love for God the Father and appreciation for His Son.

God loves every believer with maximum personal love due to His Son's propitiatory work and He gladly shares this love with all who have the capacity to respond to it.

And those who have the capacity to respond, 'see God' in a very special rewarding way.
