

**John 262 “If You Need Me, I’ll Be At My Father’s House” John 16:14-19**

**In the Church Age, God has chosen to communicate His Word by way of the gift of pastor-teacher instead of in dreams, through visions or even by angels.**

**God cannot tolerate human good and the devil cannot tolerate divine good.**

**The Holy Spirit arrives on the first day of the Church Age and He departs on the last day of the Church Age.**

**It is NOT the prerogative of the Holy Spirit to glorify Himself.**

**There are no valid Holy Ghost meetings, only Lord Jesus meetings where the Holy Spirit attends, remains inconspicuous and glorifies Christ!**

**The Holy Spirit takes biblical truth and builds a library within the soul of the believer to house or store it for future reference.**

**What the Father has planned, the Son knows which means that biblical truth is the Word of the Father (Hebrews 4:12), in the mind of the Son (1<sup>st</sup> Corinthians 2:16) brought to us by the voice of the Holy Spirit (Hebrews 3:7).**

**As a result of our Lord’s physical death, His disciples will no longer see Him on earth as they know Him at this point.**

**The humanity of the Lord Jesus Christ will break through a wall of fallen angels to ascend above all the elect angels to the glorified position of being seated at the Right Hand of God the Father!**

**Since the disciples do not understand their Lord’s death, resurrection and session although these things have been taught clearly, Jesus must hammer these truths home for the last time.**

**The first ‘mikron’ will be tough on the disciples because they are minus biblical truth at this time but the second ‘mikron’ will be great for them because at that point, they’ll be carried by their Lord’s victory!**

**Scar tissue within the soul leads to discouragement and depression under pressure.**

**The disciples had good times with Jesus and many great memories of Him but these won’t carry anyone through a crisis.**

**When we face the common adversities and even the not so common catastrophes of life, He is with us; even thru the valley of the shadow of death!**

**So, we must prepare ourselves in times of ease for the inevitable times of suffering.**

**The 11 disciples have to come to the place that every believer must recognize and apply:**

**The place of absolute assurance that God really does love them.**

**The truth is: if God really loves us, everything else in life will work out.**

**NEWSFLASH: God really loves me too and because of that fellow believer, you must love me and I must love you and we must treat each other well.**

**Jesus offers the ingredients of faith, hope and love to all men regarding a meaningful existence.**

**We are aware that everyone desires something (someone) to love and something (someone) to be loved by.**

**In a world where there are so many ways to destroy and end life, only God offers true and lasting meaning to life.**

**Since man has wiped God out of his government, education, family and even his thoughts, he’s eliminated all hope when he eliminates God.**

**To risk one's life for someone else is certainly admirable but to give one's life for someone else as the Lord Jesus did is glorious!**
