

John 264“From Now On, You Can Ask Him Yourself” John 16:24-28

Prayer is the exhaled extension and expression of the inhaled biblical truth in our souls.

Spiritual skills MUST precede production skills.

Spiritual growth is the major contributing factor to increased prayer power.

The more we know about God’s will, the more effective our prayer lives will be.

Greater privileges mean greater responsibility.

In the Church Age, every believer as a Royal priest who is representing himself before God, has a special privilege in prayer.

The intensification of the spiritual warfare we find ourselves in requires persistent prayer.

We receive blessing from prayer whether we ask and get what we ask for or we ask and don’t get it!

We have the privilege, the right and the responsibility to pray constantly.

Consistent intake of the Word of God leads to grace-oriented humility which leads to personal love for God our Father which leads to impersonal love for all people which leads to a fantastic sense of inner happiness or fulfilled joy.

God had this inner happiness when He was planning the Cross of Christ as well as when He was providing for our darkest hour on earth.

Using an analogy is the easiest way to get a point across so that it can be understood the first time it’s mentioned.

In the Church Age, all prayer is to be addressed to God the Father in the Name of God the Son in the power of God the Holy Spirit.

Every believer in the Church Age has a direct line to Almighty God’s throne of grace!

Our Father receives three types of prayer in the Church Age; 1. Intercession from the Holy Spirit, 2. Supplication and 3. Petition from a believer.

If you are a believer in Jesus Christ, God loves you just as much when you fail as when you are successful.

God is free to love us with His maximum love because His righteousness and justice were completely satisfied at the Cross!

God the Father gave all believers eternal life so that He could love us forever!

While it’s true that God does love us with His maximum love, this does not mean that He turns our free-will on positive toward Him.

God the Father’s plan was to take His offensive strike to the devil’s strong points and totally destroy him at His Son’s Cross!

The Lord Jesus proved He was the Son of God by staying on the Cross and finishing His mission.

The humanity of Christ proceeded through the atmosphere (the First Heaven) and then through billions of light years of outer space (the Second Heaven) and on to the throne room of His Father (the Third Heaven).

Every believer is in union with Jesus Christ no matter how foolish he tends to be because he (a Church Age believer) is actually positionally higher than Satan!
