**John 16:28-33**

**All of our Church Age advantages have been orchestrated by God and placed into a system designed in Heaven to function on earth.**

**These unprecedented blessings from God to us are placed in a power system propagated by God to assure us that we DO NOT NEED the plan of Satan—a cosmic, world system programmed to make us enemies of the Cross of Christ.**

**We can’t exercise the option to become experiential winners until we’ve gathered the facts concerning the plan of God for our lives.**

**The Royal Family of God is made up of every Church Age believer, regardless of his ancestry, background, race or any other human classification; all perceived distinctions are erased at the moment of salvation through reconciliation.**
