

John 279 “I’m God’s Gift And So Are You” John 17:8-12

The Father has an Easter present for the Lord Jesus Christ which He fully intends to give Him after His resurrection and that gift is all Church Age believers.

In spite of the disciples’ spiritual condition early on, they will be given to the Son from the Father and that’s what grace is all about!

Apart from the enabling ministry of the Holy Spirit, human ability is worthless vanity.

There are two things that are vitally necessary for continued spiritual growth to take place:

1. The filling of the Holy Spirit providing divine enabling power; 2. The activation of a human spirit for spiritual comprehension.

The disciples had gnosis or academic knowledge but not epignosis or processed biblical truth known as wisdom on the ready line awaiting lift-off and that’s basically why they’re all going to run away.
