

**John 290 “Jesus Christ, The Lion Of Judah And The Lamb Of God” *John 18:4-9***

**Jesus knew the two armies were coming for Him and He didn't hide from them or run away from them, in fact He went out to meet them!**

Although it's true that our Lord's proper name is Jesus and He grew up in Nazareth, the Jewish leaders were very careful not to mention His connection to Bethlehem or to King David.

**The amazing power of the Lord Jesus' voice and words immediately knocked two highly trained armies backward to the ground!**

***NO POWER ON EARTH COULD HAVE SIEZED THE LORD JESUS CHRIST WITHOUT HIS PERMISSION!***

**Military training teaches the soldier that if something unusual happens, he immediately adjusts and goes right on without hesitation.**

All that we are reading about was within God's plan from the beginning and it will be to the end.

*The Lord Jesus Christ never lost control.*

Peter planned to protect his Lord with his human viewpoint solution but Jesus protected Peter and the others with His divine viewpoint application.
