

**John # 61 “The Kind Of Talk That Got Jesus Killed” Part 2**

*John 5:17-23; Matthew 16:1-26*

**The keys of the kingdom are passed out for the first time on the day of Pentecost.**

**And what are the keys of the kingdom? The assignment of witnessing for Jesus Christ as the keys unlock the door to understanding the Gospel.**

*Binding on earth is in reference to decisions made for Christ; you have the right to tell anyone who believes in Him that their decision is binding before God in Heaven and they have eternal life and God will back you up.*

**The disciples must recognise that Jesus must present Himself first and they’re not ready yet anyway until Pentecost when they receive the Holy Spirit and have more biblical truth, qualifying them to be His witnesses as He promised.**

**Human psychology teaches: Man by improving his own environment solves his problems but God says, even while under Satan’s rule in this world, the solution to man’s problems is not improved environment or even a perfect environment, it’s only through a personal individual born-again relationship with our Creator God Himself.**

**Peter is not Satan but he represents satanic viewpoint when he asks Jesus to by-pass the cross.**

*All disciples are believers who are serious students of the Word of God, while not all believers are disciples.*

**And if what Jesus says here is true, He is God and if it’s not true, He’s not God; He’s the world’s greatest deceiver and He’s Satan along with Peter.**
