

### **WEEK THREE WITNESSING ASSIGNMENT 26 Jan 2025:**

**On three separate occasions, explain the Gospel to a Christian friend.**

**In other words, practice verbalizing the Gospel to someone YOUR SURE is willing to listen to you.**

**Make written notes for yourself after each of your three encounters as to how they went.**

**Remember: Every Church Age believer is an ambassador representing the Lord Jesus Christ to the world and that's why we all must know our message well to present it clearly.**

#### **John 259 "Our Emotional Support Guide" John 16:12-13**

**Certainly, one of their main supports is going to be the First Advent of the Second Advocate, the Holy Spirit, Who will not only be with them but also in them.**

**The lack of material form or substance of the Holy Spirit does not make Him any less a person than the Father, Who is also invisible.**

**The Holy Spirit is the unseen power of God, the Person through Whom divine power is conveyed and He reveals the plan of God on earth and He is primary the Agent for executing the Christian life.**

**The Old Testament indicates that Holy Spirit renewed or restored the earth after the judgment and destruction of the original creation;**

**Genesis 1:2; Job 26:13; Psalm 104:30.**

**When the spiritually dead person is willing to listen to the Gospel message, the proving, convincing or convicting ministry of the Holy Spirit makes the message clear.**

**And if that person responds positively by grace alone through faith alone in Jesus Christ Alone, the Holy Spirit's ministry of efficacious grace acknowledges and makes that faith expression effective for salvation.**

**Although the Holy Spirit has been in the world from the beginning and has always had ministries to believers, there is a monumental difference between His work in the Old Testament and New Testament.**

**The Work of Holy Spirit in the Church Age is a unique demonstration of the grace of God.**

**1. The Baptism of the Holy Spirit 2. The Indwelling of the Holy Spirit**

**3. The Sealing of the Holy Spirit 4. A spiritual gift**

**To love God, we must know Who He is and what He does and we can know God only to the extent that we comprehend what God has revealed about Himself in His Word.**

**Every examination of Their individual roles uncovers crucial resources for living the Christian life.**

**God always grants us the truth, the motivation and the opportunities necessary to know Him, serve Him and honor Him.**

#### **LUST DIVORCES US FROM REALITY.**

**We are faced with three types of people in the world:**

**1. The Natural man, the unbeliever who has himself and therefore, ult Satan sitting on the throne in his life.**

**2. The Spiritual man, a believer with the Lord Jesus Christ on the throne his life and his ultimate goal is maximum glorification of his Savior.**

**3. The Carnal man, a believer in Jesus Christ with himself and his acquired satanic strategy on the throne of his life.**

**The judgment of Satan who's minus righteousness becomes the judgment of unbelieving man who's also minus righteousness;**

**John 3:18 Whoever believes in Him is not condemned but whoever does not believe stands condemned already because they have not believed in the Name of God's One and only Son.**

**The alternative to grace is always judgment because there is nothing more and nothing after God's amazing grace.**

**Apparently, it was the intent of our Lord to do much more teaching than He did.**

**It is virtually impossible to get biblical truth through to those who remain either passively or actively negative to God and His grace plan for mankind.**

**Acts 1:1 In my former book, Theophilus, I wrote about all that Jesus began to do and to teach (in the Gospels).**

**The congregation's presence at a church service or Bible study does not necessarily guarantee results for them; that taking place requires a hungry positive attitude from a strong desire to seek God.**

**Please remember that at one time or another, we all were offended by the communication of God's Word.**

**A spiritual adult in the faith is not so much concerned with the method of delivery but the content of the message.**

**There's always hope for us if we're still alive, awake and have the willingness to get with God's plan for our lives.**

**The Holy Spirit operates as a teacher of truth to all who will listen and especially to all who are desirous to matriculate in His classroom.**

**The filling of the Holy Spirit immediately removes 'Operation Bewilderment'.**

**There will be no New Testament until the First Advent of the Holy Spirit occurs and during this time after Pentecost known as the Church Age, it will be a dispensation without the gift of prophesy because the Canon of Scripture will soon be complete.**
