

Philippians #35

“Have you checked your spiritual savings account balance lately?”

Philippians 3:3-6

There are two things that were here before we came and will be here after we're gone:

1. Biblical truth 2. Evil

So, when it comes to the Word of God; don't fight it, don't try to change it, don't try to squeeze it into the mold of your own thinking, don't try to make it line up with your own preconceived notions, for it is here to stay.

There are many things in this world that are evil and yet condoned as good; when in reality they are evil, which is the satanic plan to rule the world.

We have just as much evil today as people had in the past and there has been no improvement in human history because since the fall of man, the devil is the ruler of this world.

Circumcision as it began in Genesis 17 was designed to set apart the Jewish nation of Israel as a part of God's plan as His representative during the age of Israel.

Circumcision on the 8th day had two concepts: coagulation of blood and the principle of grace as the child neither earned, deserved nor worked for it as his free-will did not enter into it in any way.

The happiness and stability of a nation depend upon a maximum number of men finding the right women to marry under God's grace.

Today, we have a spiritual circumcision where grace eliminates legalism (what is useless) including: the talent of man, the ability of man, the energy of man and the plans of man.

They heard the Gospel from the Lord of glory Himself, Jesus Christ, who not only uttered the Gospel but lived it in many ways.

Negative vulnerability refers to the believer who takes in biblical truth until he reaches maturity, then reacts with boredom, discouragement, self-pity or frustration in the soul which becomes an obsession.

Feeling becomes the standard; if he feels good, everything's fine, if he feels bad, something's wrong; so he's a slave to his health, his emotion, to everything that has to do with stimuli or lack of stimuli.

Believers can get into the world system and learn the doctrine of demons just like unbels.

Circumcision is regarded as mutilation when it's distorted to become a spiritual factor.

This is the agenda God has established for every believer and this is why we are kept alive under the principle of living grace.

The events in the process of occurrence in worship begin with listening to the teaching of the Word of God as the #1 priority in the believer's life.

The universal royal priesthood of believers with every believer in the Church Age being royal family of God (spiritual aristocracy) implies a unique form of worship.

Boasting about Jesus Christ indicates true love, concentration and appreciation for Him as an expression of capacity in greater-grace.

When the believer is on the way to the ultimate in greater-grace, he develops an unshakeable confidence which gives him the ability to cope with any disaster, problem or satanic opposition.

By his own admission, Saul of Tarsus was the worst sinner who ever lived because he was the most religious of the Pharisees.

Until the very moment of his salvation, Paul had a tremendous desire to kill all Christians in existence as his obsession.

The Judaizers opposed Paul and only persecuted grace believers but Paul persecuted all kinds of believers when he was a Judaizer.
