

Romans #057

**“Equal Privilege and
Equal Opportunity leads to inequality”**

Romans 3:29-31

Faith is reality based on confidence in the authority of another.

If there’s a God, if He’s revealed Himself, if He makes sense, if He has a perfect plan and if that perfect plan includes every human being, then

I owe God my attention.

At the moment we depart from this life, we are “face-to-face with the Lord” forever.

2nd Corinthians 5:8:

“We are confident, I say and would prefer to be away from the body and at home with the Lord.”

All Church Age believers will be evaluated at the Judgment Seat of Christ, so they may be rewarded according to their “deeds.”

2nd Corinthians 5:10

Phase 2 of the plan of God provides every believer with a blueprint for the Christian life; but unless we understand who God is, who we are and what He does for us, His plan remains a mystery.

A stall means the aircraft is not maintaining flying attitude; the plane has a bad attitude which could become instant disaster, therefore, you must first learn to recover the right attitude.

A believer trying to live the Christian way of life with no control of the sin nature is in a stall.

God has freely given us riches beyond our wildest imagination and only biblical truth reveals the treasures of God’s plan.

When you learn who and what

Jesus Christ is, you can begin to have His mind.

Your persistent spiritual growth from the Word in your soul expands your capacity for life, love, service, blessings and happiness.

There are degrees of success and failure in life; inequality is not a bad thing, only the arrogance which resents it and the self-pity which fails to adjust to the reality of it, are bad.

Solutions are best understood when problems are defined.

The object of God’s personal love is always perfect righteousness.

There is no other solution except

God’s solution.

Because all sins in human history were judged at the Cross, sin is not an issue in salvation; the issue is faith in the Lord Jesus Christ.

If God solved the greater pre-salvation problem of spiritual death, He can also solve any lesser post-salvation problems.

Living grace is also the work of God entirely.
