

Romans # 154

“Understand it, Believe it, Live it”

Romans 12:1-3

Heb 10:35-36 So do not throw away your confidence; it will be richly rewarded. You need to persevere so that when you have done the will of God, you will receive what He has promised.

God's under graduate program for believers is the Christian experience between justification salvation and spiritual maturity.

Only those believers who are positive toward biblical truth are matriculating in God's degree program, advancing toward the goal of spiritual maturity.

So, attitude toward the Word determines whether we live the spiritual life as true disciples or the disciplinary life as losers.

God's degree-program in life is for believers adjusting to God instead of expecting God to adjust to them.

In order to rule the world, Satan must have a strategy to function on his principles.

The two greatest enemies of Satan in ruling the world are: biblical truth and the laws of divine establishment, so Satan counterattacks with religion to neutralize truth and revolution to neutralize God's laws for all mankind.

Nationalism frustrates Satan's plan as part of God's established laws: a) military to protect freedom of the nation b) laws of the land plus a police force for preservation, privacy, rights, freedoms and free enterprise with no government interference.

Religion is man by man's efforts, plans and devices, seeking to gain the attention of God.

Since everyone is born as an unbeliever, spiritually dead, we are born citizens of Satan's kingdom.

Everything we have and will ever be is directly related to TLJC.

All the strategies of Satan are directed toward the free-will of mankind, not the sovereignty of God.

The objective of the Christian way of life is blending two areas of reality for the royal family of God: biblical truth and the circumstances of life.

The circumstances of life are the reality of our temporal life and biblical truth is the reality of our relationship with God or our spiritual life.

The objective of the Christian way of life on earth is the inclusion of biblical reality into circumstantial reality accomplished through daily processing the Word of God.

Whatever we were before salvation is meaningless, we are now royal family of God, a permanent royalty that will last forever.
