

Romans # 155

“A Living Sacrifice”

Romans 12:1-3

All disciples of Jesus Christ are believers but not all believers are disciples.

The Lord Jesus Christ wasn't headmaster of a formal school but His first students or disciples took an amazing hands-on three year course of practical instruction.

Our attitude toward the Word of God determines whether we live the spiritual life as true disciples or a disciplined life as losers and God's degree-program for disciples is for believers adjusting to God instead of expecting God to adjust to them.

The circumstances of life are the reality our temporal life and biblical truth is the reality of our relationship with God or our spiritual life and the objective of the Christian way of life is to interpret circumstantial reality through biblical reality accomplished in our daily processing of God's Word.

The destiny of man is not to work for God but for God to work for him and ultimately, the imputation of divine blessing to the mature believer is where the work of God for man reaches its peak of grace and that glorifies the Lord Jesus Christ.

Living sacrifices are believers who live in the dormitory of God's school of higher learning, learn biblical truth, pass momentum tests, advance to maturity, fulfil the plan of God and glorify Jesus Christ.

Loser believers live in the world system as servants of Satan, constantly under the control of their sin natures, involved in motivational and functional evil and they can't be distinguished from unbelievers;

1st Cor3:14-15 'If what has been built survives, the builder will receive a reward. If it is burned up, the builder will suffer loss but yet will be saved—even though only as one escaping through the flames.'

All historical blessings and prosperity in the Church Age results from unknown unnamed living sacrifice believers growing in grace and advancing to maturity, forming God's team of invisible heroes.

These winners have used hidden manna of biblical truth and living-grace-support to advance to maturity and they're the secret to national blessing.

Invisible God plus His invisible assets plus His invisible power equals invisible heroes.

Christians who think like spiritual paupers cannot advance.

All systems of royalty have their own honor code and the royalty of the spiritual life in the Church Age is the believer, in the body of Christ.

The Royal Family Honor Code has two basic concepts: a) privacy for royal priests; b) advance that comes from processed biblical truth.

We can do nothing of our own strength to advance to maturity, it's accomplished for us within the framework of God's living-grace-support.

The Royal Family Honor Code motto: Right thinking leads to right motivation followed by right action and for this right thinking to occur, there must be maximum biblical truth in the soul.

We must be dependent on God and independent of problems.

But the greatest disaster is failure to learn, understand and think in terms of the RFHC; the greatest system of integrity ever known.

As a royal priest, the believer advances through persistently learning biblical truth and passing

momentum tests.

As a royal ambassador, the believer produces spiritually as a result of spiritual growth in the filling of the Holy Spirit but his production is not the means of his spiritual growth.

Nothing the believer produces, brings blessing from God.

Blessing from God originates from biblical truth in the soul producing capacity for life which triggers the imputation of divine blessings to God's perfect righteousness in us.
