

Romans # 156

“Offer your Bodies”

Romans 12:1-3

God’s transformational command to all Church Age believers is in Romans 13:14; “Rather, clothe yourselves with the Lord Jesus Christ and do not think about how to gratify the desires of the flesh.”

Adam and Eve thought that by putting on fig leaves and being correctly, socially adjusted to each other and becoming re-acquainted; somehow this made them right with God, justifying their existence on earth after they miserably failed.

When we see our existence in reality as believers and begin to understand what life is all about, we put on TLJC and that’s why we’re here.

We put on TLJC by taking in biblical truth and the issue in our experience is our adjustment justice of God.

This is an appeal to the free-will of the individual believer to offer his body and mind as a living sacrifice, not to be confused with the baptism by the Holy Spirit which occurs at the moment of our justification.

Christianity is opposed to all evil in government or society, since evil destroys freedom, privacy, authority, property, evangelism and spiritual growth.

But remember; we’re not here to correct evil, we’re here to grow in grace and only the Lord can correct evil in any generation.

Christianity teaches orientation to life through respect for God-ordained authority in His establishment laws or the Bible teaching ministry of the local church.

Without Christianity, there would be no client-nation to provide missionaries and evangelists for the areas of heathenism where positive response to God at God-consciousness exists.

The Royal Family Honor Code is inflexible in its doctrine but flexible in its adaptation and application to life.
