

Merry Christmas 2024 “God’s Mystery Gift Revealed”

*Colossians 1:27; John 3:16*

**At salvation, every believer in Jesus Christ experiences propitiation which is God’s complete satisfaction with His Son’s work on the Cross on behalf of all mankind.**

All believers are beneficiaries of God’s maximum love expressed by way of His guarantee of our positional truth union with His Son.

***LOVE BELONGS TO ITS ORIGIN; TO GOD HIMSELF!***

**There is a direct connection between Adam’s original sin and his sinful nature.**

Adam’s original sin, not Eve’s original sin brought us Adam’s sinful nature since the sin of Adam, the federal head or representative of the entire human race was deliberate and Eve’s was the result of her being deceived.

*This imputation or crediting of Adam’s original sin to the sinful nature of man makes all mankind a facsimile of Adam at the time of his fall in the Garden of Eden.*

**The preincarnate Person of Jesus Christ was always deity but once His First Advent occurred as a result of the virgin birth, He became the unique Person of the universe forever, the God-man.**

To be our Savior as God, Jesus Christ could have nothing to do with sin, so to provide our redemption, the sins of the world had to be imputed to Him on the Cross.

*And in His justice, God the Father judged every one of those sins and that’s the basis for our so-great salvation because without becoming true humanity, Jesus could not have been judged for sin.*
