

Easter Sunday 05 April 2026 “Is There Anything Better Than Seeing It With Your Own Eyes?”
1Cor.15:1-8

The Lord Jesus quoted this Scripture in Psalm 22:1 from His humanity in addressing God the Father and He knew perfectly well why the Father was forsaking Him; It was the very purpose for which He had been born into this world. God’s Holiness is a combination of His righteousness and His justice and in absolute righteousness, God the Father directed His perfect justice against His own precious Son by imputing all human sins to Him; therefore, judging Him as the perfect substitute for mankind in that moment of time which is forever etched in Heaven! Most people actually understand very little of the Gospel but it must be enough to be saved, so it’s possible to be saved without completely understanding the resurrection, as is the case with most people. Paul received this information from God and the principle is: Before you can give the Gospel to anyone, you have to have received it from God and you have to know it well enough to explain it. Peter was actually blessed by Jesus Christ here and he didn’t earn it nor deserve it; this was a show of God’s amazing grace because Peter had recently denied the Lord three times. The reason Christian death is called falling asleep is because the body sleeps, not the soul and there’s nothing in the Scriptures to indicate that the soul sleeps. The only good deed that opens the door of Heaven is the work of Jesus Christ on the Cross for us!
